**MEMO ENDORSED**

**RULE 502(D)**  
**STIPULATION AND**  
**ORDER**

19-CV-04450 (KPF)

**WHEREAS**, the parties jointly request that this Court issue an order, pursuant to Federal Rule of Evidence 502(d) and the Court's inherent authority, which will allow the parties in this action to conduct and respond to discovery without fear that disclosure of privileged or protected information will automatically waive such privilege or protection in this or any other action or proceeding;

**IT IS THEREFORE AGREED BY ANY BETWEEN THE PARTIES AND ORDERED THAT:**

1. The production of privileged or work-product protected documents, electronically stored information ("ESI") or information, whether inadvertent or otherwise, is not a waiver of the privilege or protection from discovery in this case or in any other federal or state action or proceeding. This Stipulation and Order shall be interpreted and provided the maximum protection allowed by Federal Rule of Evidence 502(d).
2. Nothing contained herein is intended to or shall serve to limit a party's right to conduct a review of documents, ESI or information (including metadata) for relevance, responsiveness, and/or segregation of privileged and/or protected information before production.
